KDOA Central Office: No AAA Staff: No Contracted Case Managers: No Rationale for Change: The 2006 amendment to the Older Americans Act (OAA) has necessitated updates to the Field Services Manual to reflect current federal policy. The new policy will expand the eligibility of caregivers to include those providing services to an adult with Alzheimer's disease or related disorders with neurological or organic brain dysfunction who is less than 60 years old, or a grandparent or other individual who is 55 years of age or older caring for a child less than 19 years of age, or a severely disabled adult who is 19 to 59 years of age. This policy also reflects a change to the OAA in the priority of individuals to be served. Other policies, including reasons for discharge from the Family Caregiver Support Program, have been added or revised for clarification.
